ADMINISTRATION

An end of an era was reached, by the schools of Knightstown, Wayne and Greensboro Townships, as July 31st changed to August 1, 1956. These schools had each operated as separate units since the beginning of the public school program in Indiana, with pride in the traditions and accomplishments that so definitely marked their progress in training the boys and girls of the years gone by. Any sadness or regret that exists for the loss of our separate identities is mingled with hope for advantage and larger opportunity under united effort, consolidated funds, and expanded curriculum.

The new organization, Southwestern Consolidated Schools, is a rugged organization made up of people with similar background, community and educational interests. The governing body is a school board of seven members, who are representative, responsible, and influential citizens. Opportunities offered by this program warrant the respect and co-operation of everyone -- pupils, parents, teachers, and school officials.

And so, this Galaxy of stars has disappeared from this sky to reappear in other or perhaps the same sky to shine for a life time. This same Galaxy will probably never be reunited together, but we hope that the sight of it and the result of its work will be long remembered and treasured by the students, faculty, and anyone else who has been within the scope of this Galaxy.

Kennard finished third in the county meet and ended the season with 6 wins and 3 losses in dual meets. It also finished second in its only triangular meet. Carl Stoots broke both the broad jump and low hurdle records. Kennard shows promise for next year as its junior high team was undefeated this year. **FIRST ROW:** Carl Stoots, Danny Vaughn, Bud Thurman, Steve Ashby, Calvin McClarnon. **SECOND ROW:** Eddie Nichols, Charles Riggs, Jimmy Rednour, Warren Catron, Boyce Stories, Mr. Derrickson.

TRACK AND CROSS COUNTRY

TRACK

Due to the fact that Knightstown is without a track the Falcon thinlies had a very trying season. Due congratulations, though, should be given to Coach Clark, Don Sylvester, Frank Criss, and Charles Miller for a successful season in their particular fields. Shown here is Frank Criss.

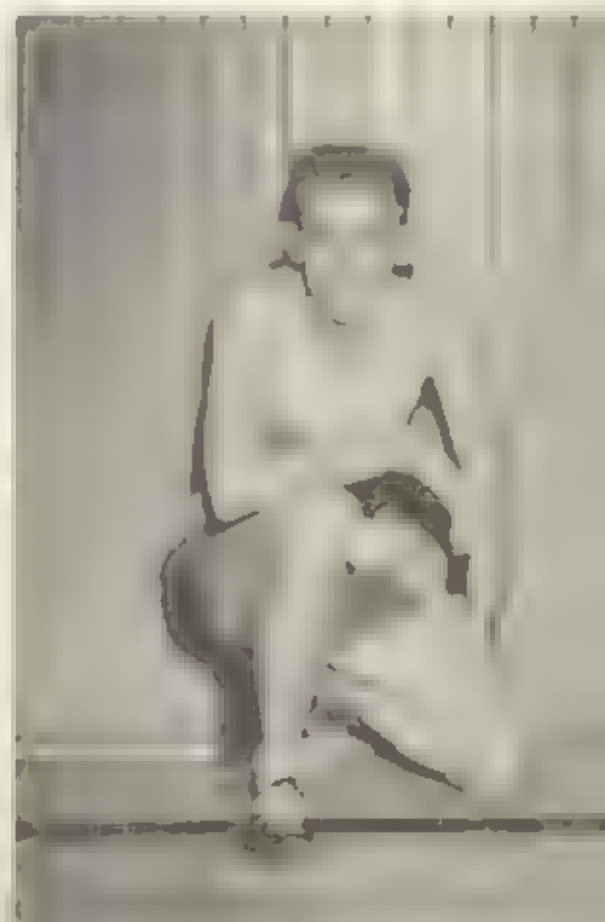

CROSS COUNTRY

The Falcon cross-country team, composed mainly of underclassmen, had a rough season. But due to the fact that the boys were young and inexperienced except for Charlie Miller and Don Sylvester, they made a fine showing for Knightstown. Shown here is Don Sylvester.

CHARLIE MILLER

Charlie, as a junior this year, achieved a very outstanding record. He was undefeated in 8 meets and placed first in the East Central Conference meet at Liberty. Congratulations, Charlie, and good luck next season.

FIRST ROW: Bill Taylor, Sam Chase, Don Sylvester, Denny Clark, Cary Ellis. SECOND ROW: Coach Clark, Charlie Miller, Mickey Bell, Charles Keen, Gary Sharp, Jack Avery, Paul O'Malley, Student Manager Dale Miller.
